

Lovett's Inn & Restaurant Newsletter

Welcome to the Lovett's Newsletter. For those of you who have not visited Lovett's recently, there have been a number of exciting changes and updates! Lovett's Inn is now under new ownership as of February 15, 2019. Michelle and Martyn have worked to keep the historic charm and character of the building while upgrading it with modern conveniences and a new, comfortable atmosphere.

All of our individually decorated rooms are now equipped with mini-fridges, microwaves, coffee pots and internet throughout the property. The cottages also have cable TV, while the Inn rooms remain quiet. Fear not for those wishing to stay in the Inn itself – there are plenty of TV's in our sitting room, new billiard room with comfortable relaxed furniture where you can watch a game and play a game of pool at the same time, or in our updated pub now offering craft beers on tap and entertainment most Saturday evenings. Our Restaurant has also had a facelift and now offers a wide variety of menu items, fresh bread and home-made desserts at reasonable prices. Families are definitely welcome; our younger guests can enjoy all the usual kid-friendly favorites, complete with a beverage and ice cream. Our restaurant and Pub are open Wednesday-Sunday, 4:30-9pm

Though the season is changing and our patio will be closing soon for meals, it's still a beautiful place to enjoy a glass of wine before coming in to dinner. The views are worth the brisk chill in the air!

Things to look at as the seasons change...

***Fall foliage** is upon us and majestic views await you all over the White Mountains! It's a perfect time to visit – there are still a few rooms left-*

Coming in December-

The snow is coming, the snow is coming! And with it comes a new world of outdoor activities! Whether you prefer down-hill skiing, cross-country skiing, snow shoeing or just taking in the beauty of nature from a cozy room inside, Lovett's is the place to be. We're just 2 miles from Cannon Mountain and have trails right here on the property for the cross country and snow shoeing enthusiasts! Our ski and stay packages will be available starting in late October – just keep an eye on our website!

For your convenience, take a break from the trails and stop into the Lovett's country store & bakery opening before the winter season begins. Though the restaurant is closed, you can warm up and still enjoy a fresh cup of home-made soup, chili, hot or cold beverages or freshly made sweet snacks.

Lovett's Inn & Restaurant is also available for meetings, conferences, family reunions, adult and children's birthday parties, holiday parties and weddings. Order off our menu, or ask us about customizing a menu specifically designed for your event-

We look forward to welcoming you back. You're home away from home is only a call or click away!

Best regards for a wonderful season ahead –

Michelle & Martyn
